RISK FACTORS

The probable risk factors pertaining to the Open Offer or pertaining to association with the Acquirer, or the Target Company are set forth below but these are only indicative. The risk factors set forth below do not relate to the present or future business or operations of the Target Company and any other related matters. The Public Shareholders are advised to consult their stock brokers, tax advisors, legal advisors or investment consultants, if any, for analyzing all the risks with respect to their participation in the Open Offer.

I. RISK FACTORS RELATING TO THE TRANSACTION

- As of the date of this LOF, to the best of the knowledge of the Acquirer, there are no other statutory or regulatory approvals required by the Acquirer to complete this Open Offer. However, in case of any statutory or regulatory approvals being required by the Acquirer at a later date, this Open Offer shall be subject to such approvals and the Acquirer shall make the necessary applications for such approvals. In case of delay in receipt of any such statutory or regulatory approvals, as per Regulation 18(11) of the SEBI (SAST) Regulations, SEBI may, if satisfied, that non-receipt of such approvals was not attributable to any willful default, failure or neglect on the part of the Acquirer to diligently pursue such approvals, grant an extension of time for the purpose of completion of this Open Offer, subject to the Acquirer agreeing to pay interest to the Public Shareholders for delay beyond 10th Working Day from the date of Closure of Tendering Period, at such rate as may be specified by SEBI. Where the statutory or regulatory approvals extend to some but not all the Public Shareholders, the Acquirer shall have the option to make payment of the consideration to such Public Shareholders in respect of whom no statutory or regulatory approvals are required in order to complete this Offer in respect of such Public Shareholders. Further, if delay occurs on account of willful default by the Acquirer in obtaining the requisite approvals, regulation 17(9) of the SEBI (SAST) Regulations will also become applicable and the amount lying in the Escrow Account shall become liable for forfeiture.
- In terms of and in accordance with Regulation 23(1) of the SEBI (SAST) Regulations, if the conditions precedent and other conditions as stated in paragraph VII (B) are not satisfactorily complied with for reasons beyond the control of the Acquirer, the Open Offer would stand withdrawn. The Acquirer reserves the right to withdraw the Offer in accordance with Regulation 23(1)(a) of the SEBI (SAST) Regulations in the event the requisite statutory approvals that may be necessary at a later date are refused.
- If at a later date, any other statutory or regulatory or other approvals / no objections are required, the Open Offer would become subject to receipt of such other statutory or regulatory or other approvals / no objections.

II. RISK RELATING TO THE OFFER

- This Open Offer is an offer to acquire upto 26% of the Voting Share Capital of the Target Company from the Public Shareholders. In the case of Shares tendered in the Open Offer by the Public Shareholders are more than the Offer Size, acceptance would be determined on a proportionate basis and hence there is no certainty that all the Shares tendered by the Public Shareholders in the Open Offer will be accepted.
- In the event that either: (a) regulatory or statutory approvals are not received in time, (b) there is any litigation leading to a stay/injunction on the Offer or that restricts/restrains the Acquirer from performing their obligations hereunder, or (c) SEBI instructing the Acquirer not to proceed with the Offer, then the Offer process may be delayed beyond the schedule of activities indicated in this Letter of Offer. Consequently, the payment of consideration to the Public Shareholders, whose Shares are accepted under the Offer as well as the return of Shares not accepted under the Offer by the Acquirer may get delayed. In case the delay is due to non-receipt of statutory approval(s), then in accordance with Regulation 18(11) of the SEBI (SAST) Regulations, SEBI may, if satisfied that non-receipt of approvals was not due to any willful

default or negligence on the part of the Acquirer, grant an extension for the purpose of completion of the Offer subject to the Acquirer agreeing to pay interest to the validly tendering Shareholders.

- The Shares tendered in the Offer and documents will be held in the special account of the Clearing Corporation till the process of acceptance of tenders and the payment of consideration is completed. The Shareholders will not be able to trade in such Shares during such period. During such period, there may be fluctuations in the market price of the Equity Shares. The Acquirer makes no assurance with respect to the market price of the Equity Shares both during the period that the Offer is open and upon completion of the Offer and disclaims any responsibility with respect to any decision by the Shareholders on whether or not to participate in the Offer.
- The Acquirer and the Manager to the Offer accept no responsibility for the statements made otherwise than in this Letter of Offer/ Draft Letter of Offer / Detailed Public Statement / Public Announcement and anyone placing reliance on any other source of information (not released by the Acquirer, or the Manager to the Offer) would be doing so at his/her/their own risk.
- Shareholders should note that the Shareholders who tender the Shares in acceptance of the Offer shall not be entitled to withdraw such acceptances during the tendering period even if the acceptance of the Shares in this Offer and dispatch of consideration are delayed.
- This Letter of Offer has not been filed, registered or approved in any jurisdiction outside India. Recipients of this Letter of Offer resident in jurisdictions outside India should inform themselves of and observe any applicable legal requirements. This Offer is not directed towards any person or entity in any jurisdiction or country where the same would be contrary to the applicable laws or regulations or would subject the Acquirer or the Manager to the Offer to any new or additional registration requirements. This is not an offer for sale, or a solicitation of an offer to buy, in the United States of America and cannot be accepted by any means or instrumentality from within the United States of America.
- The Shareholders are advised to consult their respective tax advisors for assessing the tax liability pursuant to this Offer, or in respect of other aspects such as the treatment that may be given by their respective assessing officers in their case, and the appropriate course of action that they should take.
